A TRIO OF DRIVING MODES

The Grand Cherokee 4xe gives drivers the choice of three driving modes: Hybrid, Electric or eSave. No matter which mode you're in, the Jeep® Grand Cherokee maintains every jolt of its adventurous spirit.

HYBRID MODE

ELECTRIC MODE

ESAVE MODE

HYBRID MODE

The best of both. Hybrid Mode combines the forces of the 2.0L turbocharged engine and the electric motor. This efficient combo provides maximum horsepower, instant torque and impressive acceleration.

MENU ≡

Choosing the Grand Cherokee 4xe could earn you some kickbacks. In addition to the \$7,500 federal tax credit, you may be able to take advantage of state and local incentives.

EXPLORE INCENTIVES >

EXPLORE RESPONSIBLY

Jeep® Grand Cherokee has always been about the freedom to explore our world. With nearly silent operation, a 25-mile all electric range and a 470-mile combined driving range, the 4xe gives you the freedom to adventure nearly anywhere while doing your part in the shift to a more sustainable future.

POWER FOR THE TRAILS

Energy for a whole new adventure. Harnessing the power of the sun, the Jeep® Brand is installing solar-powered charging stations near key off-road trails across the country so you can always keep exploring new frontiers.

CHARGING YOUR ADVENTURE

Up to six times faster than the Level I charger, the available Jeep® Brand Level II PHEV Home Charging Station lets you spend less time charging your PHEV and more time on the road. The easy-to-use quick-release mount features a lockable, weatherproof enclosure for either indoor or outdoor installation. Plus, built-in Wi-Fi connectivity lets you control charging anytime, anywhere via a mobile app and web portal. Its smart grid

optimization helps reduce energy costs by charging at low-rate times. Available state and government programs
